

Interfaith Worker Justice

Recommendations for Legislative change

Authorize and appropriate funds for the WHD to give to community groups to create wage theft taskforces using community policing models.

Require an annual report on DOL's work on wage theft.

Increase DOL's capacity including investigators and attorneys.

Explore increased penalties and damages for repeat violators.

Recommendations for Administrative change

Provide leadership for a national campaign to end wage theft

Advocate for a firewall between DOL and ICE and advocate for an end to workplace raids.

Identify the top industries in which wage and hour violations occur and target them

Create a joint task force with OSHA.
