

# PERSONAL SPACEFLIGHT FEDERATION

## Discussion Topics

Meeting with President-Elect Transition Team, NASA Agency Review Representatives  
December 19, 2008

The Personal Spaceflight Federation is the industry association of leading businesses and organizations working to make commercial human spaceflight a reality. The mission of the Federation is to promote the development of commercial human spaceflight, pursue ever higher levels of safety, and share best practices and expertise throughout the industry. Federation members include commercial developers and operators of suborbital vehicles, orbital spacecraft, and spaceports. The members of the Personal Spaceflight Federation are:

- *Armadillo Aerospace*
- *Blue Origin*
- *Excalibur Almaz USA, Inc.*
- *Masten Space Systems*
- *SpaceDev*
- *Space Adventures*
- *Space Exploration Technologies*
- *XCOR Aerospace*
- *X PRIZE Foundation*
- *Virgin Galactic*
- *Scaled Composites*
- *Environmental Tectonics Corporation/NASTAR Center*
- *Paragon Space Development Corporation*
- *Wyle*
- *Orbital Outfitters*
- *Mojave Air and Space Port*
- *Spaceport America*
- *Space Florida*
- *Oklahoma Space Industry Development Authority*

### Topics Discussed:

- Commercial Orbital Transportation Services (COTS)
- Suborbital science on commercial human spaceflight vehicles
- Commercial space infrastructure
- Commercial human spaceflight research and development
- Prizes and the Centennial Challenges Program
- Contracting methods
