- 2008 Coalition to Fix America's Economy  
convened by CPA

---

---

---

---

---

---

---

---

A

## THIS IS NOT FREE TRADE

- U.S. government picks winners and losers.
  - > Post-industrialism
  - > One Economy, Two Systems
  - > No national enforcement
- East Asians pick winners and losers.
- Let the market pick winners and losers.
  - > Enforce the rules of international free enterprise.

---

---

---

---

---

---

---

---

**Strategy for  
"Fixing America's Economy"**

- Combat currency manipulation
- **National** compliance enforcement
- Address trade distorting tax issues
- Better trade agreements
- Energy independence

---

---

---

---

---

---

---

---

**Strategy for  
"Fixing America's Economy"**

- Makes producers in the U.S. more competitive in the global economy
- **Genuine global free enterprise**

---
