**Policy Recommendations to the Obama-Biden Presidential Transition Team  
On behalf of the  
American Corn Growers Association  
December 2008**

**Creation of an Undersecretary for Food and Agricultural Competitiveness**

ACGA recommends the creation of an office of Undersecretary for Food and Ag Competitiveness. ACGA recognizes the most powerful indication of the Obama administration's commitment to marketplace competition in the food system will be the creation of this new mission area which would include existing and possible new agencies that deal with market competition issues at all levels within USDA's jurisdiction.
