Economic Recovery through Investments in our Environment, Energy System and Heritage

Proposal-by-Proposal Table

EDUCATION

Contacts: Heather White (whiteh@nwf.org) and Judy Braus (jbraus@audubon.org)

- Page 9 National Environmental Education Act - jobs produced increased from 3,400 jobs to **3,450** jobs.
- Page 10 For the NASA Climate Change Education Grant Program - jobs produced reduced from 4,020 jobs to **460** jobs.

TRANSPORTATION

Contacts: Colin Peppard (cpeppard@foe.org) and Rob McCulloch (robm@environmentamerica.org)

- Page 46 For the New Starts Transit Capital Projects, billion was added to each dollar amount listed in the timeframe section (**\$4.084 billion within 4 months; \$12.078 billion within 12 months; \$14.325 billion within 18 months**)
- Page 48 For the Bicycle and Pedestrian Infrastructure Projects - jobs produced increased from estimate 40,000 – 50,000 to **estimate 65,000 – 75,000** jobs.

WATER

Contact: Bill Lee (blee@americanrivers.org)

- Page 59 For the Everglades Restoration – Kissimmee River Restoration **WRDA 1992** was added; cost reduced in FY 09 from \$31,015,000 to **\$31,000,000** and for FY 10 cost increased from \$40,000,000 to **\$41,000,000**.
- Everglades Restoration – C-111 **South Dade (WRDA 1996)** was added; cost for FY 09 reduced from \$4,500,000 to **\$4,000,000** and for FY 10 cost reduced from \$25,000,000 to **\$20,000,000**.
- Everglades Restoration – CERP design **WRDA 2000** was added to the cost section.
- Pages 59-60 Everglades Restoration – C-51 **WRDA 1996** was added and cost reduced for FY 10 from \$17,000,000 to **\$16,000,000**
- Page 60 Everglades Restoration – Modified Water Deliveries to Everglades National Park, **P.L. 101-229** was added; cost for FY 09 increased from \$26,700,000 to **\$215,000,000** and for FY 10 cost increased from \$50,000,000 to **\$260,000,000**.

Everglades Restoration – Critical Projects **WRDA 1996** was added; cost for FY 09 increased from \$3,797,000 to **\$8,000,000** and for FY 10 cost increased from \$5,000,000 to **\$10,000,000**.

Everglades Restoration – Indian River Lagoon – South (CERP) **WRDA 2007** was added and cost for FY 10 increased from \$38,700,000 to **\$75,000,000**.

Page 61 Everglades Restoration – Picayune Strand (CERP) **WRDA 2007** was added; cost for FY 09 reduced from \$25,000,000 to **\$24,000,000** and for FY 10 cost increased from \$31,000,000 to \$56,000,000

Everglades Restoration – Site 1 Impoundment **CERP and WRDA 2007** were added and cost for FY 10 increased from \$25,000,000 to **\$27,000,000**.

Everglades Restoration the following is new information added to the cost column – **C-111 Spreader Canal (CERP) (WRDA 2000) and FY 10 - \$35,000,000. C-43 Reservoir (CERP) (WRDA 2000) and FY 10 - \$10,000,000. L-31 Seepage Pilot (CERP) (WRDA 2000) and FY 10 - \$11,000,000.**

Page 62 Everglades Restoration – Total FY 09 cost increased from \$172,012,000 to **\$310,000,000** and for Total FY 10 cost increased from \$295,700,000 to **\$550,000,000**.

For the Mississippi River Delta/Coastal Louisiana Restoration – Coastal Wetland Planning, Protection, and Restoration Act **Breaux Act** was added

Mississippi River Delta/Coastal Louisiana Restoration – Central Wetlands **CIAP** was added.

Page 63 Mississippi River Delta/Coastal Louisiana Restoration – Closing MRGO **FY 09 - \$50,000,000 and FY 10** were added.

Page 64 For the Upper Mississippi River Ecosystem Restoration – Habitat Restoration (NESP), **FY 09 \$9,450,000 and FY 10 - \$20,000,000** were added

Upper Mississippi River Ecosystem Restoration – Upper Mississippi Environmental Management Program: IL, IA, MN, MO, & WI **WRDA 1986, FY 09 \$32,500,000 and FY 10 - \$32,500,000** were added.

Upper Mississippi River Ecosystem Restoration – Upper Mississippi Environmental Management Program: IL, IA, MN, MO, & WI – **Total FY 09** was added.
